Hiring Manager

Lucytech

Dear Hiring Manager

I am writing to let you know that I am interested in Frontend Engineer position at Embla Software Innovation. With over three years of experience as a Software Engineering, Web Development and IT support, particularly adept in **JAVA, DotNet, HTML, PHP, Laravel, CSS, Bootstrap, WordPress, JavaScript, SEO, UI/UX DESIGN** and SQL Server database development, I am excited about the opportunity to contribute to your team at **Lucytech**

During my tenure in Austasia and DP infotech, I have the privilege of working on diverse projects that have honed My technical skills and deepened My understanding of software development processes. I have successfully delivered robust solutions while adhering to industry best practices and tight deadlines.

Furthermore, My experience in Web Development allows me to approach software development holistically, considering not only the technical aspects but also, the end-user experience. I am committed to creating solutions that not only meet but exceed user expectations, driving engagement and satisfaction.

Thank you for considering my application. Please find My resume attached for your review. I am available for an interview at your earliest convenience and can be reached at 0764871803 or via email at mailto:Kumara.lakshan984@gmail.com

Warm regards

Harindu lakshan
